

Electronic Payments

Troop 288 payments for treks, rechartering and other fees may be paid electronically through Zelle. Most banks and some credit unions use Zelle.

For more information or to sign up, visit:

<https://www.zellepay.com/get-started>

There are no fees associated with using Zelle. We do not offer other electronic payment options because there are fees associated.

Zelle payments may be made to Troop 288 using the e-mail address:

treasurer.t288@gmail.com

Please indicate the Scout name and reference what the payment is for, such as "Scout Thomas Edison, T-shirts."

Scouts and parents may also receive reimbursements via Zelle instead of check. Please submit your requests (and receipts, if applicable) along with the e-mail address or phone number registered to the Zelle account to treasurer.t288@gmail.com

Sincerely,

Troop 288 Treasurer
